Pre-release concept drawings

Chat conversations that persist

December 2024

Pre-release concept drawings

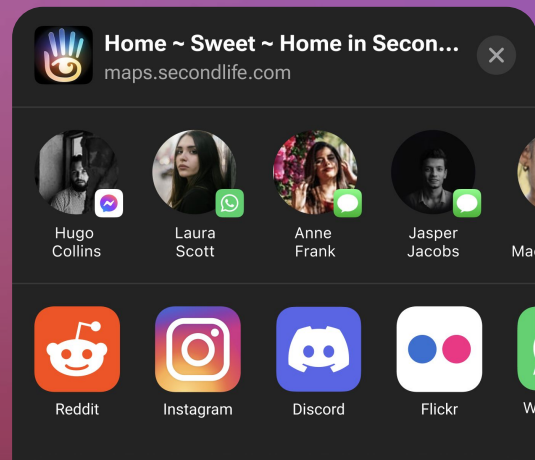

Address Bar

Q1 2025

A critical piece for people navigating the world

Make it easy for residents to go to places they enjoy

- Make new landmarks
- Share SLURLs to people on other apps
- Will include making maps.secondlife.com work on mobile browsers

Pre-release concept drawings

Lobby

Reduce time from app launch to interaction

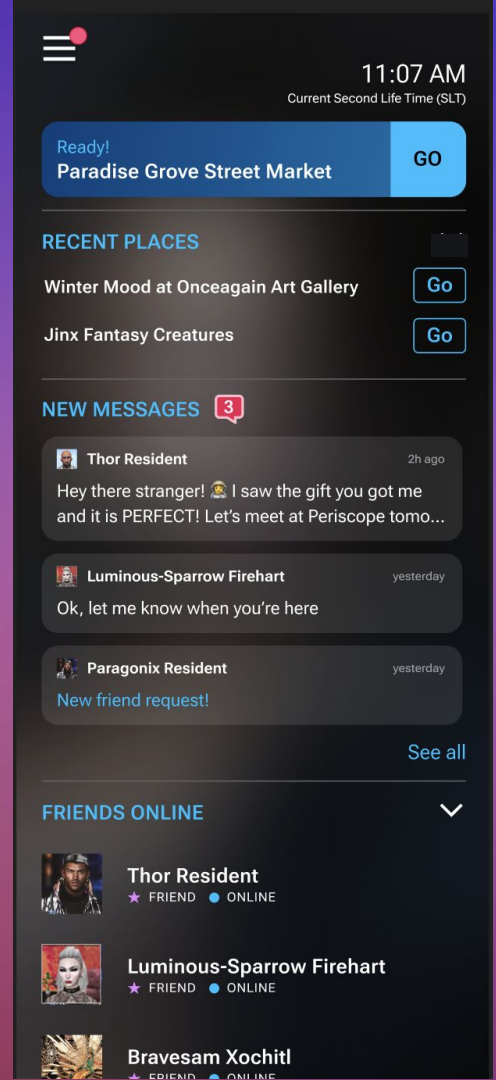

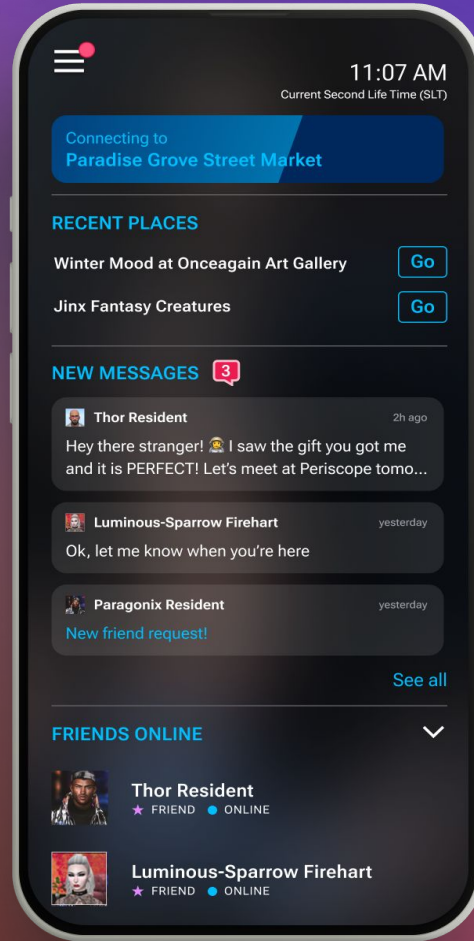

Designed around the primacy of communication in SL

Keep people signed in

Show people what there is to do and enable customized views

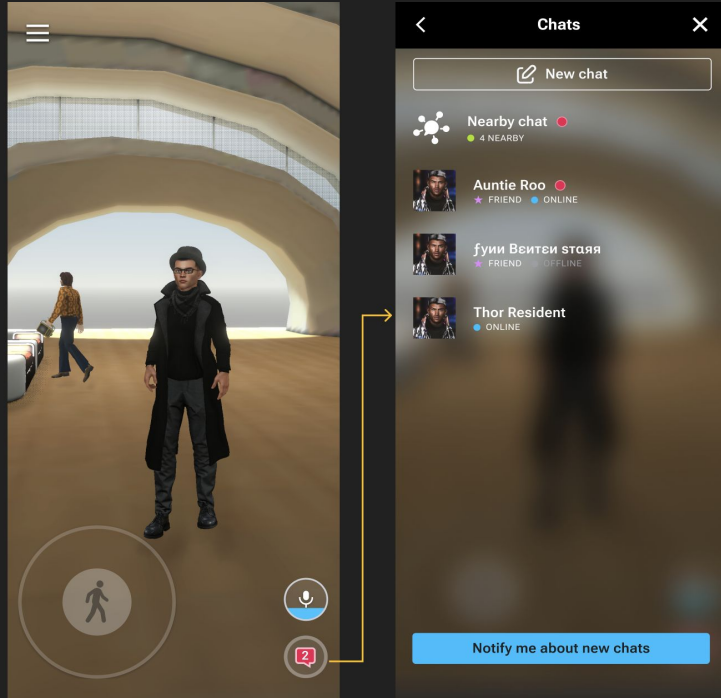

Reach mid-tier and lower-end devices

Pre-release concept drawings

More to come

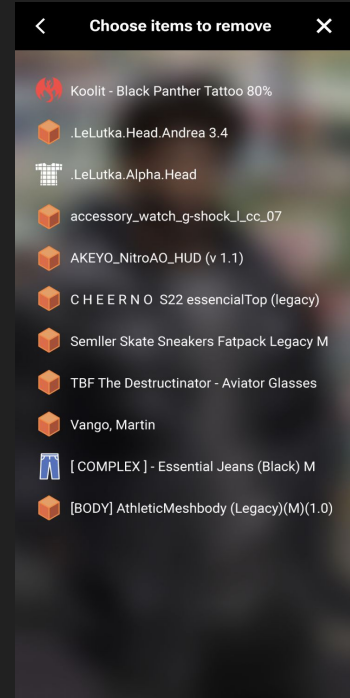

Early Q2 2025

Quicker access to chat

Improve in-world interaction control

Item-level avatar editing

Thanks!
